## Special Notes on the Fortune in the Year of the Pig

### 1. *Triple Conflicts*

This year, the Triple Conflicts fall in the **West**. It is most unlucky to have construction outside the house in the West or interior decoration work in the West grid of the house (a house is divided into 9 grids for Feng Shui purpose). Such works would bring poor health or accidents to the family. You can resolve the external construction conflict with the 5-Element Setup (outlined in the coming sections). In case interior construction work is unavoidable in the West grid of your house this year, start from the Northwest end first. Then work towards the centre of the West grid. You can minimize the conflicting energy this way.

### 2. *Presiding god*

This year, the presiding god lies in the **Northwest**. Again, construction work in this direction is considered unlucky as it brings arguments and health problems to the family. You can resolve with the same methods mentioned in the previous paragraph on Triple Conflicts.

### 3. *The direction in conflict with the presiding god*

As the presiding god sits on the Northwest, the direction in conflict with Him would be the **Southeast**. And it is also not advisable to have construction work in that direction. If you have to get some construction done, start on either end of the grid and work towards the centre of the grid to minimize the conflicting energy.

### 4. *Wu Huang* 五黃

This year, the star of major sickness Wu Huang shows up in the **Southwest** grid. If your main door, or kitchen, or bedroom falls in the Southwest grid of your house, your family (especially male members) would have respiratory

problems (e.g. in the throat or trachea) and aching bones easily this year. The star also brings gastrointestinal ailments, though to a lesser extent. Again, it's not advisable to have construction or interior decoration work done in the direction of Wu Huang because such activities tend to boost its sick energy. If such work is unavoidable, start from either end of Southwest grid and work towards the centre of the grid to minimize the negative impacts.

**Main door in the Southwest grid:** To resolve the sick energy, you can use a grey door mat and place a small piece of copper metal beneath it. If the sickness persists, you can put a conventional music box at the door and hang a wind chime at the inside of the door.

**Kitchen in the Southwest grid:** Wu Huang coinciding with the kitchen causes the most troubles because Wu Huang is Earth while the kitchen is Fire in nature. As Fire generates Earth, the kitchen would worsen the sickness caused by Wu Huang. To resolve, put a conventional music box next to the stoves and hang wind chimes on the kitchen cabinet doors. Put a grey door mat at the kitchen door and place a piece of copper metal beneath it. You can also put more water in the kitchen to overcome the Fire energy.

**Bedroom in the Southwest grid:** You can use the same method outlined in the above cases as remedy.

You should also avoid interior decoration work in the Southwest grid of the house this year as Wu Huang shows up in that direction. But this does not apply to the apartment you newly move in, in which case interior decoration is okay.

## 5. **Er Hei** 二黑

This year the star of minor sickness Er Hei falls in the **Northeast**. It brings abdominal and gastrointestinal problems to the female owner especially (or the owner's wife) and older women in the family. It also leads to respiratory ailments to lesser extents. You can resolve the conflict with the same method mentioned in the last section on Wu Huang. Once again, avoid any construction or interior

decoration work in this direction as it boosts the negative energy of Er Hei. If you need to get some construction work done in this grid, start from either end of the grid and work towards the centre.

## **6. *The Pig is offending the presiding god***

All Pigs are said to offend the presiding god this year. They are likely to be in bad mood and have poor human relationships. Those 12-year-old Pigs would feel restless and emotionally unstable. Those 24-year-old Pigs would face changes in romantic terms, and are likely to get injured and sick. Pay extra attention to your legs, hips, face and teeth. You're most susceptible to injuries and sickness in Lunar April and Lunar October when you're advised to donate blood or get your teeth cleaned by a dentist to pre-empt such destined bloodshed. Feel free to go on a trip abroad in Lunar October to further resolve the bad luck. Those with Cold predisposition should go to the South or the East while those with Hot predisposition should go to the North or the West. Those with Neutral predisposition may go anywhere, but going North or West would complement your predisposition more. Besides donating blood to minimize the risk of injury or sickness, Feng Shui setup at home also helps – just put three potted plants in the Centre grid of your house. Those 36- and 48-year-old Pigs would feel pessimistic and restless. You'd think of the worst case scenario all the time. You should also travel in Lunar October to put yourself in better moods and donate blood or get your teeth cleaned by a dentist in Lunar April. Those 60-year-old Pigs should pay more attention to their health. All those offending the presiding god would encounter many changes, such as moving home or office, travelling, getting married, breaking up or giving birth to children etc. From Feng Shui point of view, one joyful event pre-empts three mishaps-to-be. Without joyful event, you'd feel depressed.

## **7. *The Snake is in conflict with the presiding god***

All Snakes are in conflicts with the presiding god this year. Conflicts imply movements and transformations. The Snakes are thus likely to have changes in terms of love relationship, career and living environment. Changes could be good or bad depending on your date and time of birth among other factors. For example, those with Cold predisposition tend to benefit if they take a conservative approach and do not introduce changes actively. On the other hand, those with Hot predisposition are advised to take an aggressive approach and start new ventures in 2019. Those with Neutral predisposition also have good luck. The presiding god this year is the Pig of Water nature whereas the Snakes are Fire in nature. The Water fights with Fire and the Snakes should thus pay attention to ailments related to the legs, hips, face or teeth. You are also susceptible to accidents and injuries in Lunar April and Lunar October, you're advised to donate blood or get your teeth cleaned by a dentist to pre-empt such destined bloodshed. Feng shui setup may also help – put three potted plants in the Centre grid of your house to dissipate the bad energy.

## **8. *The Pig is “torturing” the presiding god***

“Torturing” the presiding god brings gossips, arguments and poor human relationships. Apart from offending the presiding god, the Pigs also “torture” Him this year. Such “torture” would double their offence against Him this year.

## **9. *The Monkey is “harming” (also known as “poking”) the presiding god***

There are slightly more gossips than usual, but they aren't particularly serious. You may put a glass of water in the West grid (the direction of relationship this year) of your home to boost your interpersonal skills and a pink object in the South grid (the direction of gossips and arguments this year) to curb the gossipy energy.

**Note:** All zodiac signs that disagree with the presiding god (including offending, conflicting, “torturing” and “harming”) this year might put a rabbit-shaped decoration piece in the East grid of the house, and a goat-shaped decoration piece in the Southwest grid to resolve. If you want to wear an amulet for luck, pick a tiger pendant. However, the Monkeys should only use a rabbit-shaped pendant or decoration piece.

### **10. *The Tiger is in union with the presiding god***

Union is a form of agreement with the presiding god that brings excellent human relationships. The Tigers are likely to get useful help from others this year.

### **11. *Zodiac signs with the best love luck***

**The Dragon:** The powerful star of relationship Hong Luan紅鸞 is shining on the Dragons this year meaning you'd have excellent luck on desirable and long lasting romantic relationships. Single Dragons have a good chance to meet someone special this year while those who have been dating for a while are likely to get married. Yet, married Dragons should use care not to get into extramarital affairs because your irresistible charm will draw much attention. Try to turn your love luck into general human relations which would definitely help your career luck.

**The Dog:** The Dogs are blessed by another star of relationship Tian Xi天喜 this year. Tian Xi brings similar luck as Hong Luan does, only to a lesser extent. Single Dogs should thus pay attention to potential dates around them and hang out in public places more often. On the other hand, married Dogs should try to convert their love luck into general human relations to help their career indirectly.

**The Rat:** The star of temporary relationship Xian Chi咸池 happens to shine on the Rats this year. Unlike Hong Luan, Xian Chi usually brings short-lived casual encounters. You're likely to start and end a relationship quickly. You are also likely to date someone you've known for some time under the guidance of Xian Chi. Such relationships aren't likely to last though.

## **12. Resolving unwanted relationships**

If you are married and you don't need to deal with strangers on your job, you don't need any love luck and are advised to dissipate it. Or else, you might run into extramarital affairs.

**The Dragon:** Put a conventional music box in both the Northeast and Southwest grids of your house (or room).

**The Dog:** Put a conventional music box in both the Northeast and Southwest grids of your house (or room).

**The Rat:** Put a potted plant in the East grid of your house (or room).

After he/she grows up, he/she should paint his/her office in those colours too. Similarly, in case he/she buys a car, the same shades should be picked. Yet, they don't always have to wear clothing in those colours.
